Arun's story

My Graduate Diploma of Agribusiness at Ironwood is giving me the international business and entrepreneurial skills to build on the technical expertise I gained in my Bachelor's of Agriculture.

The level of support and quality of education I found at Ironwood as an International student has been beyond my expectations, from visa assistance and pick-up at the airport through to helping me with accommodation and assisting me find a job in my chosen profession.

“ I'm really looking forward to continuing my studies in the Masters of Global Food and Agriculture Business at the University of Adelaide with 1 year credit.

Arun, India: Growing my future

Anthony's story

My Graduate Diploma of Strategic Leadership at Ironwood gave me the right platform to enter second year of Master of Global Project Management at Torrens University.

With my Engineering degree background, I wanted to study a course that I would give me international experience and the ability to see issues from a global perspective. I am convinced that this affordable and accessible pathway has made me a more employable graduate.

“ I knew that I had made a good decision in coming to Ironwood. With the university pathways in place I'm now studying my Masters at Torrens University.
