Year**

Master of Business Administration (Advanced) (CRICOS 088149G)
Entry requirements: Graduate Diploma of Agribusiness - 12 months / 8 subjects

**2nd
Year**

Benefits of packaged courses

Single visa

You can apply for packaged offer letters, CoEs and a single student visa from overseas for the entire duration of both programs.

Post-Study Work Rights

You are eligible for all standard benefits of a university graduate, including post-study work rights in Australia.

Vocational and University skillset

You benefit from Ironwood's vocational experience and the University's higher education learning, combining applied and theoretical knowledge with practical skills.

Better prepared for the higher education environment

Heading into an Australian university straight from overseas can be challenging. Ironwood provides smaller class sizes and individual academic support to build foundation for your university degree.

Pathways don't necessarily mean taking the 'long' way

Ironwood pathways will allow you to complete your degree in a similar time frame as you would do by directly studying the entire program with the University.

Two qualifications

You graduate with two qualifications.

Affordable fees

With Ironwood and Torrens University packaged pathway, you can achieve your degree dream at an affordable fee

Why Ironwood Institute

Ironwood Institute is a truly international education Institute, where overseas students from over 40 countries receive quality education while enjoying Australia's unique culture and lifestyle. With pathways to Torrens University, you can achieve your University degree in the similar timeframe as direct university entrance at an affordable fee.

Hear from Ironwood & Torrens University Pathway Students

Camilo, Colombia

"I am confident that my professional career is on the right track to achieve my dream. Thanks to Ironwood and Torrens for this amazing opportunity, and I recommend this pathway to all the students wishing to undertake an MBA."

Vijaya, India

"I did my Graduate Diploma in Agribusiness at Ironwood Institute and then I did my pathway MBA in Torrens University. While studying, I started working in Adelaide Plant Growers, and now I'm a horticulture technician, which has helped me to achieve my goals."

Honey Van, Philippines

"It was my immense luck and fortune to be a part of Ironwood Institute where I can grow, not only as a Marketing student but also a resilient individual. The entire campus leaves no stone unturned to shape one's future. My two years at Ironwood have been a wonderful experience of learning with prolific exposure to the outside. Huge respect, love and devotion for the entire Ironwood team. It's their efforts that made me count myself into a better professional today."

Why Torrens University

Torrens University Australia (CRICOS Provider Number 03389E) is part of a leading global network of quality institutions of higher education. They offer courses in Business, Design & Creative Technology, Hospitality, Education, Health, and more. Torrens University gives you a unique, industry-focussed approach to studying at undergraduate and postgraduate levels that will make you job-ready as soon as you graduate. Torrens University has campuses in Adelaide, Melbourne, Sydney and Brisbane.

Why Adelaide

Affordable

Adelaide is the second most affordable capital city in Australia.

Vibrant City

Studying in South Australia doesn't just give you a world-class education, but invaluable life experiences too. Adelaide is alive and vibrant with hills and beaches.

Work Opportunities

From part-time work and volunteer opportunities while you study, to defining a fast and clear career path after graduation.

Quality Education and Global Recognition

Australian qualifications are recognised and respected globally. Studying in Adelaide creates the opportunity to pursue your dreams, anywhere in the world.

What is Agribusiness?

Agribusiness is all business activities that are related to agrifood goods and services.

Career opportunities exist in the following sectors:

- Farm Management
- Agronomy
- Ag Tech
- Seeds
- Fertilizers
- Pesticides
- Farm Machinery
- Food Processing
- Food Supply Chain
- Logistics
- Import/Export
- Agri Finance & Banking
- Agri Marketing
- Public Policy
- Human Resources
- Risk Management
- Information Management
- Quality Assurance
- Research and Development

Why study Agribusiness

South Australia is known globally for its premium food and wine, produced sustainably in a clean and safe environment. Studying agribusiness in such an environment will equip you with the world best industry skills, knowledge and practice.

Premium Food & Wine Capital of Australia

With a pristine environment, enviable food safety standards, and responsibly managed natural resources, Adelaide, South Australia is in a perfect position to take advantage of global opportunities in agribusiness.

Global Growth

Agribusiness is worth AUD\$270 billion to the Australian economy and is growing at around 2.1% per annum. According to the World Economic Forum, by 2050 global food demand will be 60% greater than it is today. This is being driven by population growth, rapid urbanisation, changes to consumption habits and resource scarcity.

Global Companies

Global Agribusiness companies located in Adelaide, SA include: Penfolds Wines; Viterro Australia; Sundrop Farms; Thomas Foods International and San Remo

Adelaide Hills

Apples, pears, cherries and strawberries

Riverland

Citrus, stone fruit and almonds

Adelaide Plains

Greenhouses and protected cropping

Wine Regions

Barossa Valley, McLaren Vale, the Coonawarra and Clare Valley

Qualification Description

This qualification provides a general vocational outcome in agribusiness. It reflects the role of individuals who apply substantial specialised knowledge and skills to the senior managerial and leadership role in an organisation or business area. In these roles they are required to generate and evaluate complex ideas, and to initiate, design and execute the major planning, research, design, operational, compliance and management functions within highly varied or specialised agribusiness contexts. Typically, they would have full responsibility and accountability for the personal output and work of others.

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.
